CRESCENT PAYROLL SOLUTIONS JOINS INC. LIST OF 5000 FASTEST GROWING COMPANIES. The only Payroll and HCM Solutions provider in Louisiana to make the list, ranked 2866 on 2021 list of nation's most successful firms.

FOR IMMEDIATE RELEASE

NEW YORK, August 17, 2021 – *Inc.* magazine today revealed that Crescent Payroll Solutions is No. 2866 on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. With growth rate of 137% and the distinction of being the only payroll/human resources company in Louisiana to make the 2021 list. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Intuit, Zappos, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

“This award is very special to us as a company. Our focus on building this company has centered around our core values and investment in our people. Without the hardworking, dedicated staff that we have this award would not be possible. We are a family and share in this together. This amazing success is a validation of our high level of service and client experience. We will continue to grow the company in this direction.”

– Sanders Offner, President-Visionary

Not only have the companies on the 2021 Inc. 5000 been very competitive within their markets, but this year's list also proved especially resilient and flexible given 2020's unprecedented challenges. Among the 5,000, the average median three-year growth rate soared to 543 percent, and median revenue reached \$11.1 million. Together, those companies added more than 610,000 jobs over the past three years.

“The 2021 Inc. 5000 list feels like one of the most important rosters of companies ever compiled,” says Scott Omelianuk, editor-in-chief of *Inc.* “Building one of the fastest-growing companies in America in any year is a remarkable achievement. Building one in the crisis we've lived through is just plain amazing. This kind of accomplishment comes with hard work, smart pivots, great leadership, and the help of a whole lot of people.
